Dear Mac,

First of all I am very sorry you are having such a time with your stomach. I do hope you are feeling better now.

Now I am enclosing a check for the balance due you from your salary for the month of June. I have itemized everything on the pay envelope, and am enclosing a check for one hundred fifty five Dollars, and ten cents which is the balance due.

I am also enclosing the W2 forms that you should have sent to The Collector of Internal Revenue March 15th. I have investigated, and found out there will not be any penalty for late filing, but you must send them in as soon as possible. They will have to be mailed to The Collector of Internal Revenue in the city where you live. It might be a good idea for you to see someone who makes tax returns, and have him or her file for you.

Next I want you to go to see Dr Chaineys as I want him to see how you are so he can let me know. You can see him in his office any day after 12 noon, but I want you to go as soon as possible. His address is 1890 Seventh Ave.

We had hoped very much to have you for this series we are about to play The Grays. It would mean a great deal to us to beat them.

I expect you to go to Dr right away,

Very Truly Yours
